OVERVIEW

The attached document presents an overview of **YOUR WAREHOUSE™**, the complete Distribution System for any distributor.

YOUR WAREHOUSE™ was designed to address the needs of small, medium and large distribution operations. All of the needs of a busy distribution operation are addressed. Quotations, Order Entry, Inventory Control, Purchasing, Sales and Purchase History, Sales Analysis, Marketing and Sales Tools, Accounts Receivable, E-commerce and EDI integration are just some of the features of this powerful system.

Our professional staff of programmers, analysts, consultants and technicians is available to insure proper installation, configuration and training of your staff.

Utilizing state-of-the-art technology **YOUR WAREHOUSE™** will work in your business today and as your business grows. Inherently upscaleable, **YOUR WAREHOUSE™** will work well for one user or hundreds of users.

The following pages demonstrate a sampling of just a few of the dozens of screens and reports that are available from the system.
